DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The new appeal brief filed 16 February 2007 is not in the required format outlined by the Federal Register. The examiner indicated to applicant in the notice of non-compliant mailed 17 January 2007, that the outline in the Federal Register must be followed explicitly i.e. in the order presented. Therefore, the Evidence Appendix and the Related Proceedings Appendix sections must be removed from the body of the current appeal brief and positioned at the end of the brief as outlined by the Federal Register. Also, each section of the Grounds of Rejection must have an associated Title within in the arguments section. If a grounds of rejection is identified in the Grounds of Rejection section, then the arguments section must have each grounds of rejection as a title with the related arguments under it. Applicant's time is still running and applicant will have to file for an extension of time to properly reply. If the reply to this communication is not filed in the required time period it will be abandoned.
